**THE RAWLPLUG JAR - INNOVATIVE PACKAGING DESIGN**

Present your products in a stylish way!

**HIGHLIGHTS**

# ” THE RAWLPLUG JAR IS AN INNOVATIVE FORM OF PACKAGING WHICH PRESENTS OUR PRODUCTS IN A GROUNDBREAKING NEW WAY.

Thanks to its unique concept, it stands out from other fixings packaging regardless of how it is displayed. Its attractive look stems not only from the great visibility of its content through highly transparent walls, but also its impressive capacity for up to 1000 pieces of product.

Read more

It also perfectly fits our new type of carton stand, creating a simple pop-up POS set that facilitates the temporary exposition of high-demand products. Easy opening and comfortable grip makes for easy handling of the product and endorses reuse of the packaging. A large and visible label area enables effective presentation of product information and marketing content.

# C1 BULK JAR

High transparency packaging which perfectly exposes the product
